

AN INVITATION TO SERVE

FPC's Session has nine (9) ministry committees in order to accomplish the work of the church. As extensions of the Pastoral and office staff, these committees help support the week-to-week operations of our church-life. With the start of the New Year, Session committees have re-organized. Committees are led by Elders. In addition, members-at-large serve on these committees. Serving on a Session committee extends one's involvement beyond personal interaction to the kind of ministry that strengthens our church and is one way YOU can serve the church. All are encouraged to think about what gifts they can offer to the work of our community of faith. Committees, areas of responsibilities, and elders serving on these committees are listed below.

Prayerfully consider if God is calling you to serve in one of these areas of FPC's ministry. If you would like to know more and/or serve on a committee, please be in touch with an elder listed below or Ted Foote (979.823.8073 or tfoote@fpcbryan.org).
