Sunday Mornings

ADULTS

LOOSE LEAF CLASS

ZOOM
9:00AM

Through mid-February, Loose Leaf Class is reading the **Gospel of Mark** looking to understand the author's audience and its historical context. As this class "works" through the chapters each week, they discuss both the content of this very early Gospel and also how Christians' reading and thinking about Mark have changed over time and what it means for us today. As always, this class welcomes local members, members in the Loose Leaf diaspora, and all visitors!

SEEKERS CLASS

ROOM 101 (PARLOR) | ZOOM
9:20AM

Seekers encourage open discussion as they "seek" understanding, knowledge and fellowship while studying together. The New Year brings the study of Greg Carey's 6-week DVD study entitled **Stories Jesus Told: How to Read A Parable**. Carey has taught at Lancaster Seminary (PA) since 1999 and is the author of several books. The parables of Jesus - such as the Good Samaritan, the Prodigal Son, and the Laborers in the Vineyard -- make up the most distinctive element of his teaching and are essential to our common memory of Jesus. However, most of them open themselves to multiple interpretations, which have left interpreters scratching their heads

and arguing with one another for centuries. In this study, Greg Carey explores six of Jesus' stories to understand how to read them, interpret them, and understand what they mean for our own lives today. This class shares, studies, prays, socializes, and cares for each other and others.

THE WORD CLASS

ROOM 303 | ZOOM
9:20AM

The Word Class incorporates Christian-authored books and accompanying videos in studying God's word and its applicability in our daily lives. The class is studying John Ortberg's **Who Is This Man?** in which he shares how Jesus' influence has swept over history and how his vision of life continues to impact humanity today. Jesus' impact on our world is highly unlikely, widely inescapable, largely unknown, and decidedly double-edged. It is unlikely in light of the severe limitations of his earthly life; it is inescapable because of the range of impact; it is unknown because history doesn't connect dots; and it is double-edged because his followers have wreaked so much havoc, often in his name. All are welcome as we pray, play, learn, work and care for one another. Class members enjoy lively open dialogues and gain from learning and studying together.

Glenn Mathews teaches the class.
